ROSÉ DE MALBEC

Vineyards: Tupungato, Mendoza

Malolactic Fermentation: 30% of the blend

Service Temperature: 10°C to 12°C

Tasting Notes: This Rosé is a young, fresh wine with fruity aromas reminiscent of fresh strawberries, peaches, and floral touches with small scents of vanilla, all of which deriving from the fermentation in oak. It has a refreshing palate, with delicate fruit flavors, a light sweetness and a round finish.
